RECOMMENDATION LETTER

To Whom It May Concern,

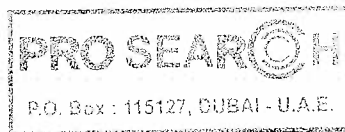

This letter is recommendation based on our current business relationship with **Mr. Nabeel Al Sharfa, Managing Partner of Masarat Holding.**

Even though our relationship with Mr. Al Sharfa and Masarat Holding is recent, we have found tremendous development of our business in Saudi Arabia and we are very keen to growing our business with him. He is also honest, treats our business like his own business, hands on in terms of developing new business opportunities and very active in bringing new business to us.

I highly recommend Mr. Al Sharfa and his company, Masarat Holding for their services and business capabilities in the GCC market.

Sincerely,

Prashant Kochhar
